3:15 PM - 5:00 PM	Fast, Fun, and Fresh: Making Wine for Cashflow Tim Donahue Younger drinkers aren't looking for trophies — they want wines that are fresh, fun, and ready to drink now. This session digs into how to make that work in the cellar and on the balance sheet. Using data from three real wines, we'll connect chemistry, timing, and packaging to culture and cashflow. It's a look at where the market's headed — and how to make wines that move, both emotionally and financially. ROOM 420	
5:15 PM - 6:00 PM	Industry Reception and Trade Show
